EDITORIAL

When push comes to shove the modern world can be an extremely confusing place, so here at Club HQ, we like to keep things as simple as possible. Now we think we've hit upon the magic formula for this, which we've played close to our chests all these years. However, now might be the time to throw caution to the wind and reveal our secret. Well, we say secret but there on nearly every page of this mag. Yes, you've got it girls, girls, girls and a few more just for luck. So may I introduce Amy Green, Lucy Zara, Tina Kay, Capri Cavanni, Ivy Wolfe, Viola and the cherry that complete's this heavenly slice of lady cake is this month's cover girl Ariana Marie. We hope you enjoy this issue as much as we did putting it together!

LETTERS TO THE LOUNGE

Send your letters to: The Editor, Club International, The Lounge Suite, 23 Lyon Road, Hersham, KT12 3PU or email clubint@paulraymond.com. Best letter published every month gets £50

Dear The Lounge, 'Letters to the Lounge' is my favourite section of Club, they are the pages I always turn to when I need a wank. I've often fantasised about taking it up the arse, but it's only recently that I got my first opportunity to try it for myself, because there seem to be a lot of men out there who find the

whole idea pretty disgusting. You see, I'm a physics professor, the only female teacher at an all boys boarding school and the only guys I get to meet at work are middle-aged and very traditional. I just can't imagine any of them having an exciting sex life and I've certainly never heard anything said in the staff room that would make me think otherwise. (Come to think about it, they're probably more the types who would like to slip their cocks up each other's bum! Still, each to their own...) There are the sixth form students of course, who are no doubt raging with hormones all the time. It's obvious that plenty of them fancy the pants off me, but there are certain things a good teacher absolutely must not do.

That's why I was delighted to find a certain ex-student of mine waiting for me outside the staff room one day recently. We had some polite conversation and he told me he'd got into the university we'd hoped he would. I said that I was pleased for him, but I could also tell by the look in his eyes that really

wasn't what he was here for.

I reminded him about some course work of his that I still had and which he might want back and asked if he would like to come to my office to take it away with him. He jumped at the chance and followed me down the hallway. Even as I walked in front of him I could feel his eyes looking me up and down,

"...the length of his hard cock as I pumped the full length into my mouth."

dying to know what I looked like under my lab coat. And if I wasn't completely mistaken there was an ever-increasing bulge in his jeans.

We reached my office and I shut the door firmly behind us, then wasted no time in letting him know what I thought he was really here for. The lad showed no resistance as I pinned him back against the door, kissing him fiercely and running my hands along a definite bulge in his pants.

"I've got a deal for you," I told him as I slowly undid his fly, revealing a hard cock that was bigger than I'd imagined. "I'll give you the best blowjob of your life – if you fuck my ass."

His cock became even harder!

"Okay Miss," he said nervously. "I've never done it before, but I'll try..." I wasted no time and dropped to my knees before he'd even finished the sentence. He stopped talking immediately and began to groan softly. His hands were on my shoulders, guiding me. I swirled my tongue around the head of his cock, tasting the delicious pearly pre-come that had already formed there. My hand found its way to his balls and I caressed them gently, feeling him slowly rock backwards and forwards,

pushing his cock into my mouth, a little bit harder every time. His hands tightened their grip on my shoulders and I sucked harder, running my tongue up and down the length of his hard cock as I pumped the full length into my mouth.

He was gasping louder now and I could tell he was really close to coming, so I let go of his hardness and stood up, pulling off

my lab coat as quickly as I could. I watched him wank his dick as he in turn watched me undress, which really turned me on. I could feel my pussy moistening up at once. I was wearing no underwear and he looked really

surprised, but pleased. I got down on my knees to give his cock one last lick before I got my treat and then said, "Go on, fuck my ass."

He looked nervous, but mumbled his agreement. It really gave me a kick to hear this sexy guy still calling me 'Miss', even though I wasn't his teacher anymore. I got into the doggy position and looked over

my shoulder at him. He was wanking his cock with one hand and his other hand was moving straight towards my little, swaying ass.

I gasped as I felt his finger enter me. It felt so much better than having my own finger up there and much better than even I'd dared imagine and it hurt much less too! He began to pump it in and out, slowly building up speed, and I found myself panting heavily within a few seconds. He put another finger in and I almost cried out in pleasure. What a dirty slut I was, about to be fucked up the ass by a much younger man - and my ex-student at that! The idea of it only turned me on even more and I could feel my pussy dripping.

Suddenly I felt a wet warmth in my ass and I realised he was now licking it, with two fingers still inside. I could hardly control my moans and I stuffed the sleeve of my lab coat into my mouth.

"Fuck me, please!" I gasped, desperate to feel his big, hard penis inside my tight arsehole. He quickly placed the tip of his

cock at the entrance to my ass and pushed slowly. We both gasped as it began to sink deep inside me. His cock didn't look any bigger than anything I'd taken in my pussy, but up my ass it felt absolutely huge - and it was still going in.

He began to push in and out, slowly.

"Faster, please," I begged him and he began to pump more quickly. His hands were on my hips as he pulled me towards him, and I could barely stop myself from screaming. I reached down and began to frig myself, my fingers sliding in and out of my soaking wet cunt as I moaned into my lab coat.

Within seconds I was coming, my pussy squeezing tight around my fingers. This time I really couldn't hold the screams in. He moaned as he could feel my orgasm and the sounds of my screams in turn pushed him over the edge. My arsehole was filled with his hot white come. The feeling was intense. I had never had spunk deep in my arse, but it was a feeling that filled me with a warm sexual glow. He slowly withdrew his length from my hole and we both sank to the floor, exhausted.

We were both filled with excitement at what we'd just done, but there was a bit of an awkward silence too. I re-arranged myself and handed the course work over, gave the lad a peck on the lips and opened the door, glancing quickly down the corridor to make sure that no-one's suspicions had been aroused. The corridor was empty.

As I headed back to the staff room I decided the whole experience had definitely been even better than I'd hoped. And I'll definitely be on the lookout for willing men to try it with again from now on!

Kitty, Warwickshire.

Talk of the town, or rather Europe, Tina is back and looking as fuckable as ever! We feared the U.S had pinched her permanently, but it looks like Tina Kay couldn't resist coming back to see us.

"Of course I couldn't, you guys are, and I'm a horny little minx!"

You sure are, we saw a couple of the films you've been starring in recently, seriously nice work, were they fun to film?

"They were great fun to film, I always enjoy myself the most when I'm one set, and my hungry pussy is being fed a large meaty cock; what girl wouldn't?"

That's the mantra we've been keeping, and it looks like Tina's a fan; what a woman!

TOTAL RECALL

Dear Total Recall,
I feel like this may be a
long shot, but I remember
years ago there was a
model called Eve who featured in
Men's World Vol.19, with a black glass
beaded necklace, and wonderful
brown eyes. If there's any chance
you'd feature her in your Total Recall
section, it would be hot as hell to see
her again!

Tony, West Yorks.

Ed says: Tony, it's lovely to hear this
particular beauty has stayed in your
mind all these years. And you're
right Eve has incredible brown
eye's, so enjoy!

TOTAL RECALL

Here's a face we haven't seen for a while, as Capri Cavanni lifts the lid not just on herself, but what she's been up to of late.

"I've been around you know, you guys have just been too lazy to find me."

Can you blame us with the mountain of hot totty that rolls in weekly? We'd need to double the pages of Club to fit it all in!

"Okay, I see your point, but you're my favourite English mag, so I love it when you feature me."

We do too, so our humblest apologies!

I'd suggest having a bucket of ice/ cool pack at the ready for this brown-eyed girl; for when Amy Green walks into a room, the temperature rises twofold. But is it really any wonder with a smooth and comely body such as hers? We imagine the women of that room envious, and the men finding it challenging to suppress the growing tension in their trousers. Sounds like all the makings of a good party to us.

Club's KIT BAG

Qoobi One

<https://qoobi.co.uk>

Just like your favourite jumper, music should provide a cosy warmth that envelops you. Which is what appears to be missing from today's digital music world; no, not jumpers...warmth! The good days of analogue, with tubes and the rest, created a warm sound, a rich and full sound, that travelled lusciously around the room with a velvet touch, whatever genre you're listening too. If you miss that

sound, then Qoobi One pre-amp may be just up your alley. This wireless tube amplifier will transform your digital track using vacuum tubes to turn it into a warm analogue wave of sound you can pass through your existing sound system. So a similar quality to vinyl but all streamed via Bluetooth from a device of your choice. Design wise, well, I think you can see it's a winning formula.

Urbanista Stockholm Earbuds

www.urbanista.com

Since Apple released AirPods, the entire audio industry has leapt forward to create comparable or better earbuds. So how do Stockholm by Urbanista measure up? Well, taking a peek at their key features it all looks rather promising, with 3.5 hours battery life and a charging case that will give you three full charges it's a good start. There's also touch control and voice control Bluetooth connection and they work with

fetching colours to suits any taste. So with this tick list, why am I not chirping to the rooftops about them? It's simple, they're uncomfortable to wear (at least for my ears), and so the sound is lost. Personally, I'd rather lay out a bit more moolah for a comfortable fit, and a full sound running through my headphones. If there's such a thing as try before you buy, then I would.

Pocketalk

www.pocketalk.net

Travel for work or pleasure, but not particularly good at the local lingo, then have no fear, you'll be building bridges with the locals in no time with Pocketalk translator. The handheld translator market is certainly taking off with competitors like Microsoft's CM Translator and the Travis Touch Plus, making language barriers a thing of the past. Pocketalk is a palm-sized translator that fits neatly in your pocket when you're not using it. The £240 version comes with a global SIM, which carries enough data for many hours of translation, but for a slightly lower price, you can add your own. This device supports 74 languages and is easy to use with a touch screen where you can choose each side of the conversation.

SCRUFF JUSTICE!

Please be upstanding!

Catfished

Digital Playground

Starring: Eva Lovia, Holly Heart, Riley Ried, Zoey Monroe, Daniel Hunter, Derrick Pierce, Jessie Jones, Mr. Pete, Steven St. Croix.

Synopsis: "A sexy divorcee yearns for love, but is looking in all the wrong places. Her ex has already moved in between the legs of a much younger busty blonde, and her best friend is happily consummating her marriage. Nevertheless, she has one guy, but he's mostly interested in screwing her than committing. In a desperate attempt, she makes an online profile and meets an incredible guy. They've tried to meet several times, but sadly never do. She's sexually frustrated, but can't get away from sex because her horny neighbours can't stop fornicating! In the end, she demands they

meet, but will she find the man of her dreams, or discover a lie?"

Courtesy of Digital Playground

Verdict: Now that there are various Television shows dedicated to hunting out catfishing, most of us will know what the term means, but

for those who don't it's the name given when someone falsely represents themselves online to lead someone on, most likely with

a hidden agenda. So with that in mind, this is what Jesse falls pray too after the divorcee goes searching for love. Catfish has five scenes which all have a little something about them, the pairing between Holly Heart and Mr. Pete was the best to my mind, as there's less play, they basically get straight down to business with Holly gulping down Mr. Pete's cock, before the stud bends Holly over the counter for a pounding. This movie essentially has a fluffy storyline, but it's bare-cheeked rocking in every other way

I Am Angela

Evil Angel

Starring: Angela White, Joanna Angel, Chanel Santini, Dana Vespola, Markus Dupree, Mick Blue, Steve Holmes, Rocco Siffredi, Johnni Darkko, Joey Silvera, John Stagliano,

Mama Jen, Asa Akira, Mark Spiegler, Michelle La Belle, Evil Chris

Synopsis: "I Am Angela' is an unprecedented look at the reigning AVN Female Performer of the Year: Angela White. Documentary filmmaker Evil Chris continues to evolve his original approach to the showcase genre, weaving together revealing interviews, compelling documentary sequences and passionate, hardcore sex. This groundbreaking XXX documentary brings together four acclaimed Evil Angel

directors; each captures Angela's powerful presence

and raw sexuality in signature style. Jonni Darkko's deft lens delivers Angela in an intense, three-on-one scene with Mick Blue, Markus Dupree and Steve Holmes -- featuring double anal and triple penetration. Dana Vespola directs and performs in an amazing, all-girl anal threesome with Angela and alt-porn trailblazer Joanna Angel. In a rare collaboration, Joey Silvera lends his legendary directorial style to Angela's first TS scene, which features trans superstar Chanel Santini. Evil Angel founder and porn pioneer John Stagliano documents

Angela's first experience with Rocco Siffredi -- a monumental, hour-long anal scene starring two XXX icons. 'I Am Angela' is a vivid, honest and humanising portrait of a woman whose personal and sexual journey challenges assumptions about the adult industry and the performers within it." *Courtesy of Evil Angel*

Verdict: This is no slap and tickle porno, there are elements of bio-documentary with Angela White telling the camera what she was like as a child, growing up and how she got into the porn industry. It's all here with four all-sex scenes each including Angela White and a well-known director. This double disc set with cum-shot recap is a must have in any collection.

When someone as stunning as 22-year-old Ivy Wolfe shows up on the scene, everybody wants a piece, but the cool-headed Ivy seems to have taken it all in her stride with the demeanour of somebody who's used to the limelight.

"Well, I can tell you now I'm not used to it that's for sure, I just got into it as it's such a fun job to have if you have a high sex drive like me. I'm nearly always ready for a screw!"

There's no taking advantage of this young lady, I rather think it would always be the other way round. And with Ivy's energy, we take our hats off to anyone who can keep up!

That's a very fetching pair of stockings you have on there Ariana.

"You're so sweet, and I'm glad you like them. I think they set off my shoes and lingerie tastefully."

They certainly do, and that's not the only thing they've set off, I now appear to be sailing at full mast!

"Yes, I'd noticed, though frankly, it was hard to miss."

Should I be taking that as a compliment?

"You can take it any which way you like cheeky."

As you can imagine, I was feeling somewhat buoyed after chatting with the gorgeous Ariana, who is apparently always that flirtatious, but every dog needs a bone!

Talkin' Blue

GIRL TROUBLE

must admit that I find it strange that so many girls these days are willing to admit to their interests in other girls. In my day (I'm 38 now) I would never have told anyone about

my personal desires, except to say that I thought so-and-so man was pretty fit. Of course it would have been quite nice to be open about being bisexual but it just wasn't trendy then and would have led to all sorts of gossip and loss of friends. I've even got an 18-year-old niece who tells everyone quite openly that she has a girlfriend as well as a boyfriend and I can't make my mind up whether I think she's being brave or just plain bonkers!

Anyway, the reason I'm writing this letter is to tell you about how, back in the 1980s, girls like me had to go about getting girls in a much quieter way. When I was 19 I didn't know any girls at all who were into girls as well as boys. I knew of an older woman down my street who was rumoured to be a lesbian but I didn't care to find out much about her. At the time, I'd had a boyfriend, Colin, for about two and a half years. We had done plenty together sexually (though never in a bed, just in fields and in my Dad's garage). He'd gone through all the routine of feeling my tits, then fingering me, then getting as far

as sucking my tits and eventually getting me down on some soft grass behind some trees and giving me my first length of lovely cock. Strangely enough, it took me about another six months to graduate to actually wanking Colin off then eventually putting his dick in my mouth. I thought it was all great fun and went about most days feeling sticky in my knickers at the thought of getting Colin's cock inside me. But even then, even when things were going well and I was having my first taste of sexy fun, I knew there was something missing... like an orgasm, for one thing!

I knew I should be getting a bigger feeling from sex than I was. I knew from magazines that Colin was getting all the big fun and I was missing out. It wasn't his fault though. I wasn't really relaxed enough with him to really explore my pussy as much as I'd have liked him to. I knew I wanted a tongue inside me, licking my pussy lips and sucking on my hard little button. I knew I wanted to feel more than fumbling amongst my pubes and a forefinger jabbing at my bum hole! In short, I knew that I wanted to feel someone else's hands in my pants – a girl's hands!

To anyone who hasn't had these feelings about being with another girl, it's hard to explain the craving I got for a girl's confident touches, familiar as she would be with my every nook and cranny. I was fighting myself all the time, trying to figure out why Colin wasn't the answer to my sexual prayers; desperate to know why I thought that work friends like Kerry or Jackie would make better lovers. I even tried being unfaithful to find out if another boy could be the answer but I just ended up feeling slutty as I begged him to bend me over a dustbin in some back alley and fuck me from behind. Don't get me wrong, it was still a

thrill, and this guy was good at fucking his length in and out of me in a way Colin is probably still dreaming about, but it finally confirmed to me that I was going to have to either put up, shut up or find a girlfriend!

Kerry would have been my first choice out of the girls that I knew. Not that she was the best looking out of the two girls that I was working with. In fact Jackie was much more the babe and the body, but I just figured that Kerry, being more friendly and touchy-feely, might be my best bet.

As it turned out I couldn't have been more wrong! I went out with Kerry one night for some drinks, we got very drunk and the subject drifted to sex. Kerry said she wasn't getting it off her boyfriend and was looking elsewhere for action. She was really graphic about what she'd been fantasising about, like getting her neighbour's son to fuck her. She said how she'd like to catch him wanking on his sofa while his parents were out and go down on him, sucking his cock till he came in her mouth, then get him all hard again and slip her slick fanny down over him and ride him till she came. Then she wanted the father to come in and catch them both at it and join in, fucking her from behind while she sucked the son off again. She even said she'd like to try two-up! There was never any mention of gay-girl leanings but I was so pissed I didn't see any harm in trying it on, more fool me!

"I wish I was getting fucked by that boy next door tonight when I go home instead of climbing into bed with that fat boyfriend of mine and having to beg for a lick-out," she moaned, kind of laughing, kind of not.

"There are plenty of other people who'd have you," I said, laying my hand across hers. "Yeah? Like wh..."

Kerry didn't even finish the word. She looked down at my hand on hers and in an instant knew what I was talking about. She sobered up faster than it took her to get her

“She wasted no time in finding my clit, then slipping two fingers inside me.”

was to skive off work, I stayed at home saying I was sick for about a week and a half before, finally, there was a knock at the door. I opened it, wearing just my T-shirt and shorts and cosy socks just in case it was someone from the HR department trying to find out if I really was sick or swinging the lead. Instead it was my other work mate, Jackie. I was horrified! I knew she'd come round to laugh at me and didn't want to let her in.

“It's okay, M, I haven't come round to take the piss but I think we should talk. There's a lot of shit flying around at work and I think I can help you sort it out,” she said kindly.

We went through to the living room but my Mum was there watching daytime telly so I

suggested we go upstairs to my bedroom. I knew this was madness as this was only going to add fuel to the fire if Jackie wasn't on my side, but I had no obvious choice. It was better than my Mum finding out I was into girls!

Once in my bedroom I sat on a chair and Jackie sat on the bed. Now, I think you all know where this is going or I wouldn't have written you this letter, but it's still just as thrilling for me to recall this crazy, sexy situation as it is, hopefully, for you to read it! So please read on...

“Mia,” said Jackie, lying back on the bed and kicking her shoes off, “Kerry came into work last Monday and told me you tried it on with her! She said you wanted to snog her in a nightclub and said you loved her! She's telling everyone you're gay...”

I was mortified. Not only had she told the world I'd made a lesbian pass, she'd told them a load of

bullshit too that made it sound ten times worse! “I didn't try and snog her, and I don't ‘love’ her, as she puts it,” I blurted out, “and we were in a pub not a fucking club!”

For a moment Jackie looked at me with her big brown eyes and furrowed her soft brow. Then she burst out laughing! “Fucking hell, M, I don't think it matters WHERE it fucking happened! Pub or club is the least of your fucking problems!”

I stared back at Jackie in total disbelief, what a bitch, I thought, she has come round

handbag and her coat and stormed out of the bar saying something about “bloody queer”.

I was distraught. Not only had I lost a friend but I'd fucked my work situation too. It's one thing for everyone to go about saying that you've tried it on with the boss or the post boy. It's entirely another for them to know you've tried to fuck another girl in the office!

The only way I could deal with it

"I raised my knees and opened my legs wider to allow Jackie to lick me deeper..."

to take the piss. Then slowly, the more I looked at her pretty face laughing at me, I began to see what she meant, the whole madness of the situation hit me and I started laughing too! I jumped onto the bed with Jackie and hugged her. "I'm so glad you find the funny side of it, you bitch!" I laughed. "I'm fucked! I haven't got a job and I haven't got a girl to shag!"

I knew I was being a bit brave blurting this out but my feelings for girls were out now and I felt relieved to be able to tell Jackie openly. Then it happened...

Slowly, I began to realise that Jackie wasn't laughing anymore and the friendly hug was becoming an embrace. I didn't dare move as Jackie's hands moved up and down my back, stroking my hair and holding me to her lovely body. "Why didn't you ask me?" she finally said after what seemed like a long, long silence, during which the only sounds were our breathing getting heavier and the rustle of my T-shirt being stroked up and down my braless back. "I can't believe you fancy that slapper over me..." she continued, almost whispering the words into my ear.

I couldn't believe what I was hearing! There I was, lying on the bed with the most beautiful girl I knew, being gently caressed and asked, basically, if I fancied her. I knew then that my years of waiting were over; I was going to be made love to by another girl.

"I didn't know," I said, rather unnecessarily.

"Well we'd better make up for lost time then," said Jackie and with that she started

to divest me of my T-shirt. As I sat there topless in front of her, she reached out a hand and touched my right boob, then leant in and kissed me on the lips. The kiss was so gentle at first, then began to be more urgent as her tongue forced its way into my mouth. The rush of sensations to my head and my pussy made me light and airy. I was finally kissing another girl – and it was brilliant! Better than even I'd expected!

We began to progress. I helped Jackie out of her jacket and blouse, then she stood to drop her skirt to the floor. We lay on the bed together, kissing and caressing, me in my sloppy shorts and Jackie in a pair of tight white M&S knickers. This was bliss – and it was just about to get better as Jackie slid a hand inside my shorts and snaked her way down through my soft pubes to my now wet slit. I eased my legs open to allow her access to my most sensitive parts. She wasted no time in finding my clit, then slipping two fingers inside me. She began to bring me off and I was aware of making her hand wetter than I'd ever made Colin's!

"Do you like that, gorgeous?" whispered Jackie. "I can smell your juice from here. I'm going to make you come. By the feel of things it's not going to take me long..." And with that she began her descent

towards my wet pussy. Stopping off briefly at my tummy button to dip her tongue inside, Jackie kissed her way down to the fringes of my pubes, winding her tongue in the hairs (no self-respecting girl would be seen naked with anything less than a full growth of carpet between her legs in those days!) and kissing the softness. Jackie breathed heavily as she made love to me and I could feel her hot exhalations on

my full pussy lips, which almost opened for her inquisitive tongue.

At first she licked slowly up and down the length of my open slit, then probed with her tongue between the folds of flesh. I writhed on the bed, closing my eyes and saying a silent 'thank you' to whoever it is up there who'd given me this gorgeous girl to fuck me so beautifully and passionately. I raised my knees and opened my

legs wider to allow Jackie to lick me deeper and harder. This was pure heaven!

And then I began to come. My eyes seemed to roll back in my head and a feeling of unrecognisable intensity made me at once ragingly hot and chillingly cold and shaky all over. I sometimes read in your magazine the exclamations of a girl as she comes and it sounds too good to be true. My climax started with a deep "Uuuuurrrgh", continued with a little agonising squeal and ended with a gasp that took every last particle of air from my lungs. I'd finally been fucked by another girl and I'd finally been totally fucked in the head too!

As the day progressed I was introduced to the strong and quickly-acquired flavours of female come as I learnt to lick Jackie out the way she had licked me. I sucked her boobs, kissed her bottom, snogged her for hours and fingered her every time her pussy came within reach as we writhed about on the bed. God only knows what my Mum thought we were up to for all that time!

I never did return to my job. I was just too embarrassed, but it meant that it was far easier to continue going out with my new girlfriend without anyone suspecting. I even carried on with Colin for a while too, getting the best of both world's, before finally thinking it was unfair on him... which was about the same time Jackie and I started using a strap-on (a fairly primitive one at that) so I could still enjoy a good length.

After a couple of years even Jackie and I drifted apart. I had been her third girl (she'd met the previous two at a gay disco!) and her first proper

girlfriend. We were both eager to have more lovers and I moved away from my home town in Yorkshire to Manchester where I started fucking other men and women. Like I said at

the start of my letter, not everyone knows that I like to fuck girls – especially at my new job! – but I don't think I'd be half as bothered if more people did find out these days. I just

wish I was 19 again and able to fuck a few more of the openly bisexual babes I read so much about!

Mia, Manchester.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

AMATEUR ARSE DRAMATICS

I've always thought of myself as a bit of an amateur filmmaker, so when I spotted a really nice camcorder in the sales recently I just had to snap it up. I was a bit surprised that my girlfriend Kate seemed so keen for me to spend such a lot of money as well, but I soon forgot about that in my excitement at getting a smart new piece of tackle.

A couple of weeks later we both went to my office party. It was a free bar all night and by the time we were ready to head for home we were pretty slaughtered. Kate looked great in her little black dress and it really showed off her fabulous figure. Her body never fails to turn me on and so things naturally started to hot up in the cab on the way home. When we finally crashed back through our front door we were both as horny as hell. Standing in the darkened hallway we carried on kissing. I cupped her boobs and started to massage them, stroking her nipples through the fabric of her dress until they were fully erect. Then I slowly hitched up her dress and traced a way up her thigh towards her knickers with my fingers. Kate grabbed hold of my hand to stop me and whispered "No. Before you get carried away there's something I want you to do for me. I really want you to film me." It took a few seconds for it to sink in. Then a broad grin spread right across my face. I'd always wanted to capture my missus being rude and filthy live on camera, but had never had the bottle to suggest it to her before. And now here she was offering one of my best fantasies to me on a plate.

"You dirty little minx," I said. "Get your pert little arse up those stairs right now." Kate ran off giggling and I went to find the camcorder. By the time I'd got a hold of it and

headed up to the bedroom Kate was already lying on the bed wearing just her underwear, a tiny red thong and matching peek-a-boo bra. My dick was already on the rise. This was going to be serious fun. I put the camera to my eye and waited for the automatic focus to do its stuff and bring my sexy bird into view.

"OK Kate. This is how it's going to work," I said. "You do exactly what I say. Is that clear?" I was trying hard to come across as the domineering director.

"Whatever you say Mr. Director," she

"...she continued to massage her nipples, pinching them and pulling them taught."

giggled, entering into the spirit of things and blowing a kiss into the camera. "Right. Time to get your gear off," I snapped. "Action!"

Looking straight into the camera Kate winked and then began to kneed her boobs, coyly at first, then more confidently as she started to rub her nipples with her fingertips. Then, unfastening her bra and slipping it off, her gorgeous breasts swung fully into shot. Kate's eyes closed as she continued to massage her nipples, pinching them and pulling them taught. Lowering one hand to her stomach she then trailed it down to her pussy.

My cock was rampant now as I watched her slide her hand into her knickers and play with herself, her fingers quickly probing inside her love hole. Then Kate hooked both thumbs into the waistband of her panties, raised her hips slightly and slipped them off. She leaned back and parted her legs for the camera, her pussy gaping wide and

excited already, a trickle of love juice snaking down towards her bum. I'd never seen Kate get turned on quite so quickly. She was obviously really into being filmed. Spreading her pussy lips wide, she began to rub her clitoris in small, circular movements. Her hips pushed upwards as she rose to meet her fingers. Little gasps escaped from her mouth as she pleased herself.

"Very sexy," I encouraged. "Now spice it up a little bit for me, darling." Rolling over the bed, Kate fumbled in the bedside cabinet and to my surprise, pulled out a red vibrator, which I hadn't seen before. Bloody cheek! She'd been using it on the quiet, had she?! Twisting the base, it jumped into life and the low buzzing tone filled the room. Kate then guided the pulsing vibrator across her boobs before sending it swiftly downwards, finally plunging it deep into her cunt. As she fucked herself I just couldn't help rubbing my cock through my pants, trying hard to keep the camcorder

“

wonderful arse towards the camera, wiggling it playfully. Then she parted those firm arse cheeks, allowing me to get a lingering shot of her excited, glistening pussy. Picking up the well-oiled vibrator, she rubbed it over her wet pussy lips, savouring the vibrations as she circled the tip over her bubbling cunt.

“Rub it over your arse,” I ordered. “I want you to be really dirty. Imagine you’re a real porn star. Imagine there are millions of blokes watching you, wanting you, wishing it could be them fucking you in the arse right now.” I was quite enjoying my first venture into the porn industry and it definitely seemed to be doing the trick for Kate as well. Trailing the vibrator backwards as she began to work her glorious arse, her hips rocked back as she guided herself onto the tip, enjoying the intensity of the sensations. Increasing the pressure bit by bit, Kate’s anus began to stretch and accept the pulsating vibro. “Oh God, that feels big,” she mumbled, her head buried deep in the pillow. “But I want it in my arse. It makes me feel so dirty when I have something up my bum. I’m going to push it up right now. I want you to watch me. I want you to film me.” Lubricated by her own pussy juice on the vibrator, Kate’s arse gave little resistance and she had soon eased in half of the vibrator’s length. By now Kate was so lost in her own ecstasy that she had completely forgotten about me and the camera as she

steady. Kate’s hand became a blur as she worked the vibrator in and out of her sopping pussy, driving herself towards orgasm. It didn’t take too long before she started to climax, her hips bucking wildly as she impaled herself even further. She then lay back, her breathing still heavy.

“Very nice,” I encouraged. “But I want you on all fours. I want to shoot you from behind.” Tutting with mock irritation, Kate got onto her hands and knees and pushed her

“Her arse yielded immediately and within a few short thrusts of my cock I was hilt deep.”

slid the vibrator in and out of her arse, her sphincter gripping the plastic tightly. Each stroke caused a muffled cry to escape from her lips.

By now I was finding it absolutely impossible to control my throbbing dick, so still focusing the camera on Kate's arse antics, I knelt down behind her cheeks. Pulling my cock out of my trousers and into shot I slowly started to rub it over her bum. Kate responded by pulling the vibrator out of her arse, then looking over her shoulder and smiling at me. Without saying a word she was letting me know that she wanted me to fuck her right in the arse. I nudged the tip of my helmet at the entrance to her bum as she quickly slipped the sex toy into her pussy. Her arse yielded immediately and within a few short thrusts of my cock I was hilt deep in her back passage. The vibrations coming from her pussy triggered a sensation in my cock as well, which only went to double my pleasure.

“Come on. Fuck me in the arse,” screamed Kate. I had never seen her this horny – or this dirty! “I want hot cock right up my arse and I want it right now,” she gasped. With each thrust Kate lifted her hips up allowing me to drive harder into her. The sensation was mind-blowing and I knew it wouldn't be long before I had to shoot my load. I could feel my balls tightening, but really wanted to see spunk. I withdrew from her arse just in time to deposit a torrent of thick white come all over Kate's lovely arse cheeks. The feel of hot sticky semen dripping all over her did the trick and again Kate whipped the vibrator out of her pussy and shuddered to a second climax. It was so powerful that she couldn't stay on all fours a moment

longer and flopped face down on the bed. My love juices dribbled down into her crack. How I'd managed to keep the camera rolling while my balls exploded I'll never know, but somehow it worked. Absolutely everything was right there on film!

We spent the whole night playing back my dirty missus' on-camera arse antics and screwing like mad. The whole experience was fantastic and Kate absolutely loved it. She said she couldn't believe how much it turned her on to be filmed fucking – and how much she enjoyed watching herself performing afterwards as well. We'll definitely be doing it again before long – maybe with friends to add a bit of extra spice and excitement – and all I can say is that I'm going out to buy myself a tripod right now. I reckon it's even better being an actor than a director! – *Dave, Birmingham.*

A woman in a light-colored bikini is shown from the waist up. She has long, wavy hair and is looking towards the camera. The image is heavily stylized with a high-contrast, almost posterized effect. Overlaid on the image is the text 'I'M JUST 18' at the top, 'I need my Fanny SPREAD WIDE NOW' on the right, '35P' on the woman's chest, 'TEENAGE FUCKING' on the bottom right, and the phone number '0982 505 1481' at the bottom.

One blonde who knows exactly what the camera wants is without hesitation, Lucy Zara. Pop this woman in front of a lens and let her do the talking, as this London based hot crumpet slowly reveals her eye-catching rack! But what has this beauty been up to recently?

"I've been sunning myself on golden sands, drinking cocktails, and listening to the waves crashing against the shore. All in the name of work of course...it's such a hard life!"

I can see it must be very strenuous indeed, lifting those cocktails to your pert lips must have zapped your energy.

"It really did you know, but I got it all back with another Sex on the Beach!"

What our well-placed moles are telling us this month...

DOWN THE WIRE

GARLIC GATEWAY!

The old tradition of smuggling seems to be striking out new horizons in this modern age. Not satisfied with drug ring syndicates, smugglers are turning to more unusual items that can produce lucrative returns. Swedish state prosecutors claim to have cracked one of the largest garlic smuggling

rings. The two Britons arrested are said to have made millions by smuggling Chinese garlic out of Norway and into Sweden. The smuggling of garlic is advantageous due to a 9.6% tax imposed by the EU, making the neutral non-EU country of Norway the perfect trafficking zone for these culinary antics. You wouldn't want this lot breathing on you, that's for sure!

CHEESY TRAIL!

Hansel and Gretel were playing it safe with the breadcrumbs, why not opt for an invigorating cheesy Cheetos trail, you could sniff your way back instead? Deputies in Kershaw County arrested Austin Lee Westfall Presler for a raid on a general store. After smashing his way in, it's reported that cigarettes' and beer were amongst the stolen items, however on leaving the store, Presler left a unique parting gift. Before exiting the store, Presler opened a fatal bag of Cheetos that would lead to his timely undoing.

Leaving behind a cheesy trail leading all the way to his front door, Presler was found by police ensconced with the stolen items. Poor chap, he just couldn't resist those cheesy puffs!

THE SOFA JOB!

The Rules of Burglary:

1. Carefully select the items you wish to take. 2. Place the items in the back of your chosen getaway vehicle, making sure the stolen items are fully in and the doors are firmly shut. Clearly this three-man gang didn't read their handbooks! The only thing missing from this attempted robbery, caught on CCTV, was a Benny Hill soundtrack. The three men struck at Northampton Sofa King, haphazardly loading two £400 sofas into the back of a van before attempting a getaway with the doors wide open. Quick-thinking manager Justin Hallett briskly hauled both sofas from the back of the van before the men drove off. Perhaps a different line of action next time?
